

2025

INDIANA STATEWIDE TRAUMA AND EMERGENCY MEDICINE SYMPOSIUM

The 2025 Indiana Statewide Trauma and Emergency Medicine Symposium is an educational event providing information on innovative approaches to trauma and emergency care. Regional and national speakers will address topics to enhance the quality of care for adult and pediatric trauma patients.

Learning Objectives:

At the conclusion of this activity, participants should be able to:

- Understand what constitutes a mass casualty event and differentiate it from routine emergency situations.
- Identify common challenges in managing a mass casualty incident and develop strategies to address them.
- Understand the importance of coordination with different agencies, including emergency medical services, fire department, law enforcement, and hospitals.
