

# IU DERMATOPATHOLOGY REVIEW COURSE

We are excited to announce the 4th annual IU Dermatopathology Review Course! **January 24-25th, 2026 (2 half days - 10 am-3:30 pm EST)**

**REGISTRATION NOW OPEN!**

**<https://iu.cloud-cme.com/IUDermatopathologyReviewCourse2026>**

**Brief Description:** A comprehensive review of key concepts in dermatopathology taught at the level of the resident and/or fellow learner. Registrants are encouraged to participate in pre-coursework which includes 100 digital histologic slides with associated clinical histories and test questions. **FOLLOWING REGISTRATION, A LINK TO THE PRE-COURSE WORK WILL BE PROVIDED ON JANUARY 2, 2026.** Review of these slides and answers to the test questions will be provided through live virtual review lectures offered by our faculty during the on-line course. A pre and post-test will also be administered for self-assessment.

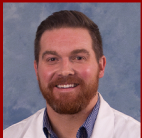

**Registration Fee:** Waived for residents and fellows.
