The Indiana Chapter of the American Academy of Pediatrics annual business meeting will occur Thursday at lunchtime. Both days we will offer plenary presentations. The meeting addresses clinical best practices across a broad array of topics in Pediatric Neurology, Adolescent Medicine, Lipid Screening, Hospital medicine and more. During the afternoon, we will offer interactive lectures to choose from on Gender Health, Parenting, Safe Sleep, Obesity, Diabetes, and more.

LOCATION AND LODGING INFORMATION

Lodging is available within walking distance to the NCA. You may choose from the SpringHill Suites Indianapolis Downtown (special conference rate is $139/night until April 21, 2017), 601 W. Washington St., Indianapolis, IN 46204, 317.972.7280. Other options are the JW Marriott Indianapolis, 10 S. West St., Indianapolis, IN 46204, 1.877.680.5800. Both hotels are within a five minute walk (0.2 miles).

Parking

The northwest parking garage, 245 University Blvd. is a short walking distance to the IUPUI Campus, across the street from the NCA and NIFS (National Institute for Fitness and Sport) and adjacent to the IUPUI Natatorium.

For handicap accessibility, contact the conference coordinator at 317.948.1999 or 317.833.5105 prior to May 1 for special instructions.

Handouts - Riley Children’s Health has gone green

In our continuing effort to be green, this symposium will not provide printed presentation handouts for attendees. Presentations will be posted on-line, a week prior to the conference and remain available on-line until June 30, 2017. The downloadable link for the presentations along with the passcode will be emailed prior to the conference to those who register. Also we will have this information available along with Free WiFi.

Free WiFi: See Posted Signage throughout the conference hall for passcode.

Emergency Contact

We ask that parents and cellphones be turned off or placed on vibrate during the meetings. If you wish to provide a contact for your office, please have them call the registration desk at 317-833-5106 or 317-520-0830.

Conference Resource Room

Primary care providers need a working understanding of community resources to provide medical homes for families. Built into the schedule are specific breakout group sessions to explore our various resources in the Community Room where personnel will be available to help increase understanding of the services their group can provide. Come learn more about your community, enjoy some refreshments, and share ideas.

We also welcome a variety of local and national pharmaceutical and device companies. We encourage you to stop by and get to know them.

CONFERENCE INFORMATION

Registration fees include conference materials, break refreshments and lunch of your choice. Light refreshments will be available during breaks and more. During the afternoon, we will offer interactive lectures to choose from on Gender Health, Parenting, Safe Sleep, Obesity, Diabetes, and more.

Additional luncheon fees are required. See registration form.

Locality Disclosure Statement

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by Indiana University School of Medicine (IUSM) must demonstrate balance, independence, objectivity and scientific rigor. All faculty, authors, editors and planners who are involved in any IUSM sponsored events are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.

Note: While it offers CME credits, this activity is not intended to provide extensive training or certification in the field.

Further Information

Indiana University School of Medicine Division of Continuing Medical Education, 410 W. 10th St., HS 2100, Indianapolis, IN 46202, 317.274.0104, 888.615.8013, fax 317.274.5182. For other CME offerings, please visit our website: cme.medicine.iu.edu. We want everyone to feel welcome at this event and can facilitate accommodations. However, registration is required.

If you have a disability and need an accommodation to participate in this program, we will try to provide it. Please contact CME or the conference coordinator at 317.948.1999 or 317.833.5106 prior to May 1. A Registration fee includes conference materials, break refreshments and lunch of your choice. Light refreshments will be available during breaks and more. During the afternoon, we will offer interactive lectures to choose from on Gender Health, Parenting, Safe Sleep, Obesity, Diabetes, and more.

COURSE DESCRIPTION

Two day event, the conference will offer plenary presentations on: Understanding Pediatric Hospital Medicine, Emergency Management of Foreign Bodies and more. During the afternoon, we will offer interactive lectures to choose from on Gender Health, Parenting, Safe Sleep, Obesity, Diabetes, and more.

COURSE OBJECTIVES

At the conclusion, participants should be able to:

- Identify approaches to assessment and care of gender nonconformity and transgenderism in children and adolescents and learn to address their developmental trajectories.
- Describe the factors that lead to antibiotic overprescribing in the ambulatory setting.
- Identify which children would benefit from lipid screening, who to treat in the outpatient setting, and when to refer to a lipid specialist.
- Distinguish when foreign body ingestions may represent emergent situations.
- Discuss the guidelines for adolescent vaccination and contraindication.
- Outline the appropriate, safe, and effective use of triptans in children and adolescents with migraine headaches.
- Explain new methods to help alleviate children’s anxieties and fears during inpatient stays.
- Recognize the evidence and data might be better used in health policy and our promotion of health.
- Identify the needs of infants with cleft lip and palate and explore how to coordinate their care with subspecialists.
- Apply enhanced skills in communicating, screening, diagnosing, and managing children and their families in areas of gender nonconformity, obesity, parenting, gastrointestinal conditions, dermatologic disorders and healthy sleep habits in infants and toddlers.

Registration fees include conference materials, break refreshments and lunch of your choice. Light refreshments will be available during breaks and more. During the afternoon, we will offer interactive lectures to choose from on Gender Health, Parenting, Safe Sleep, Obesity, Diabetes, and more.

Additional luncheon fees are required. See registration form.
