

REVIEW and INTERPRETATION of the
2019 ASCO Meeting
Saturday, July 20, 2019

IUPUI Campus Center
420 University Blvd.
Indianapolis, IN 46202

COURSE DESCRIPTION

Designed for hematologists, medical oncologists, oncology nurses, oncology pharmacists, and radiation oncologists, this program will provide participants with the latest information available as presented at the 2019 American Society of Clinical Oncology (ASCO) Meeting. Oncology/Hematology faculty members from the Indiana University School of Medicine (IUSM) and other academic centers will provide participants with analysis of the more clinically applicable presentations at this year's ASCO meeting.

INDIANA UNIVERSITY

MELVIN AND BREN SIMON
CANCER CENTER

PROGRAM OBJECTIVES

At the conclusion of this live activity, learners will be able to:

- Recall and describe the newest developments in the treatment of hematological cancers, breast cancer, lung cancer, gastrointestinal cancers, genitourinary cancers, gynecological cancers, melanoma, head/neck cancer, and precision medicine.
- Integrate multimodality treatment strategies, including radiation therapy, chemotherapy, immunotherapy, and targeted therapy, into the management of patients with cancer.
- Based on the most up-to-date treatments described in learning sessions, apply new knowledge about therapies of solid tumors and hematologic malignancies into their clinical practice.
- Integrate the most up-to-date information on genomic analyses of cancer into their clinical practice.

LOCATION and PARKING INFORMATION

The symposium will be held at IUPUI Campus Center located at 420 University Blvd., Indianapolis, IN 46202. Parking is available at the attached Vermont Street Parking Garage. Parking fees are not included in the registration fee.

ACCREDITATION STATEMENT

JOINTLY ACCREDITED PROVIDER
INTERPROFESSIONAL CONTINUING EDUCATION

Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

NURSES Indiana University School of Medicine designates this activity for a maximum of 5.75 *ANCC contact hours*. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

PHARMACISTS Indiana University School of Medicine designates this activity for 5.75 *ACPE contact hours*. Pharmacists should only claim credit commensurate with the extent of their participation in the activity. Credit will be provided to NABP CPE Monitor within 60 days after the activity completion.

PHYSICIANS Indiana University School of Medicine designates this live activity for a maximum of 5.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Internal Medicine (ABIM)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 5.75 ABIM MOC in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

FURTHER INFORMATION

Indiana University School of Medicine
Division of Continuing Medical Education
410 W. 10th Street, HS 2100
Indianapolis, IN 46202

Phone: (317) 274-0104 | Nationwide: (888) 615-8013
For other CME offerings, please visit our website:
