

Updates in Pediatric Gastroenterology for the Primary Care Clinician | 2021

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Accreditation Statement

In support of improving patient care, Indiana University School of Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE) and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Physicians

Indiana University School of Medicine designates this live activity for a maximum of 3.5 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Pediatrics

Successful completion of this CME activity, which includes participation in the activity with individual assessments of the participant and feedback to the participant, enables the participant to earn 3.5 MOC Part 2 points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

Nurse Credits

Indiana University Health is approved as a provider of nursing continuing professional development by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's commission on Accreditation. (OBN-001-91)

Friday, April 16, 2021

COURSE DESCRIPTION

Updates in Pediatric Gastroenterology for the Primary Care Clinician is designed for physicians and allied healthcare providers specializing in family medicine and pediatrics. This program will provide attendees with updates in clinical management of important and/or commonly seen pediatric disorders in gastroenterology, hepatology and nutrition. This live activity will include lectures, panel discussions, case presentations and Q&A sessions to create a highly interactive environment for learners.

COURSE OBJECTIVES

At the conclusion of this presentation, attendees should be able to:

- 1) Describe new diagnostic procedures available for children with liver disease.
- 2) Recognize the evaluation and management of newborns with cholestasis.
- 3) Describe the evaluation and management of children with non-alcoholic fatty liver disease.
- 4) Identify the risk factors for viral hepatitis in children and understand appropriate evaluation.
- 5) Describe the evaluation and management of children with failure to thrive.
- 6) Describe the evaluation and management of children with constipation.
- 7) Identify risk factors for anxiety and depression in children with GI symptoms.

ONLINE REGISTRATION AND FEES

Register now at <https://iu.cloud-cme.com/PedsGI21>.

Pay online using MasterCard, Visa, American Express or Discover. For more information, call 317.274.0104.
