INDIANA UNIVERSITY

SCHOOL OF MEDICINE

**DEPARTMENT OF MEDICINE
DIVISION OF GASTROENTEROLOGY**

Division of
Continuing Medical Education

COURSE DESCRIPTION

Designed for gastroenterologists, internists, family practice physicians and other primary care providers, this course will examine new developments in gastroenterology and hepatology, specifically “breakthrough” research that has clinical relevance for today’s busy physicians.

COURSE OBJECTIVES

At the conclusion of this program, participants should be able to:

- Recognize and apply current screening and surveillance strategies for colorectal cancer;
- Identify appropriate use and side effects of Proton pump inhibitors (PPIs);
- Describe updates and improve practices in surveillance and management of Barrett’s esophagus;
- Review several treatable GI motility disorders.

ACCREDITATION STATEMENT

Ψ Indiana University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION STATEMENT

Indiana University School of Medicine designates this live activity for a maximum of *6.5 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FACULTY DISCLOSURE STATEMENT

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by Indiana University School of Medicine (IUSM) must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, and planning committee members participating in an IUSM-sponsored activity are required to disclose **any relevant financial interest or other relationship** with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.
