# **Advanced Peripheral Arterial Disease Intervention Course *for* Vascular Surgeons**

## Advanced Peripheral Arterial Disease Intervention Course

The Midwestern Vascular Surgical Society (MVSS) is pleased to announce the Advanced Peripheral Arterial Disease Intervention Course for vascular surgeons to be held April 7-8, 2017 in Indianapolis, IN.

This course offers a hands-on approach designed for practicing vascular surgeons to fine-tune their approach to limb salvage and treating lower extremity arterial disease. This course will address teaching a tailor-made approach to managing vascular disease in terms of patient selection, approach, device selection, managing complications and radiation protection.

At the end of the course, participants will be able to:

- Apply a comprehensive endovascular approach to limb salvage
- Describe strategies for preventing radiation protection, use of ultrasound guided access for pedal arteries, as well as unusual arterial access for lower extremity arterial interventions
- Identify how to incorporate an algorithmic approach for managing lower extremity arterial disease
- Identify an appropriate patient selection, device selection to match the arterial pathology
- Recognize the cost associated with new technologies and how to provide cost-effective patient care

## Accreditation Statement

 This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Indiana University and the Midwestern Vascular Surgical Society. The Indiana University School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

## Designation Statement

Indiana University School of Medicine designates this live activity for a maximum of 8.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Faculty Disclosure Statement

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by Indiana University School of Medicine (IUSM) must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, and planning committee members participating in an IUSM-sponsored activity are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.

## Registration

The course is open to members of the Midwestern Vascular Surgical Society and vascular surgeons not yet members of the Society. **Registration is limited to the first 20 registrants** and will open online February 1, 2017 on the Society's website. Registration fees include course instruction and materials, all meals (including the dinner on Friday, April 7 and lunch on April 8) and transportation from a selected Indianapolis hotel to the Simulation Center.

CATEGORY	FEE
MVSS Members	\$400
Non-Member Physicians	\$500

## Course Co-Directors

**Raghu L. Motaganahalli, MD, RPVI, FRCS, FACS**  
Associate Professor/Program Director  
Division of Vascular Surgery  
Indiana University School of Medicine, Indianapolis, IN

**Jeffrey Jim, MD, MPHS, FACS**  
Associate Professor, Surgery  
Section of Vascular Surgery  
Washington University School of Medicine, St. Louis, MO

## Faculty

Carlos F. Bechara, Houston Methodist, Houston, TX  
Brian G. DeRubertis, UCLA, Los Angeles, CA  
Donald L. Jacobs, St. Louis University, St. Louis, MO  
Sean P. Lyden, Cleveland Clinic, Cleveland, OH  
Patrick Muck, Good Samaritan Hospital, Dayton, OH  
Peter J. Rossi, Medical College of Wisconsin, Milwaukee, WI  
Mel Sharafuddin, University of Iowa, Iowa City, IA

## Preliminary Schedule

### FRIDAY, APRIL 7, 2017

2:00pm - 2:20pm	Welcome & Course Introduction
2:20pm - 3:20pm	Lectures
3:30pm - 5:00pm	Hands-On Workshops: Pedal/Difficult Access, True Luminal Re-Entry Devices, Tips for Treating CTO's and Heavy Calcified Lesions
5:00pm - 6:00pm	Lectures
7:00pm	Dinner with Faculty/Attendees

### SATURDAY, APRIL 8, 2017

8:00am - 9:00am	Lectures
9:00am - 11:00am	Hands-On Workshops: Atherectomy Devices, Acute Limb Ischemia Treatment Devices, Embolic Protection, Managing Complications, CO <sub>2</sub> , Angiography and IVUS
11:00am - 12:00pm	Lectures
12:00pm - 1:00pm	Challenging Cases
1:00pm	Course Review & Evaluation

## Hotel Accommodations

Accommodations will be available through the Indiana University School of Medicine's Pro-Care Concierge which will provide attendees with a number of hotel choices and discounted rates at various hotels in close proximity to the School of Medicine and the Simulation Center at Fairbanks Hall.

To register and obtain additional information, visit the Society's website at:
