

Breast Cancer: Year in Review

Saturday, January 27, 2018

**Drury Plaza Hotel Indianapolis Carmel
9625 North Meridian Street
Indianapolis, IN 46290**

INDIANA UNIVERSITY

SCHOOL OF MEDICINE

DEPARTMENT OF MEDICINE, DIVISION OF HEMATOLOGY/ONCOLOGY

Course Description

This one-day symposium is designed for medical oncologist, general surgeons, pharmacists, nurses and other health care professionals as a review of recent advances in breast cancer diagnosis and treatments. Three guest lecturers and the Indiana University School of Medicine faculty in the field of breast cancer will share their expertise with course participants on a variety of topics relating to the care and treatment of cancer patients.

Help us make sure the symposium meets your needs. Prior to the symposium participants have the opportunity to submit cases or important questions/controversies they would like to be addressed at the symposium. Please email cases and questions directly to Dr. Kathy Miller at kathmill@iu.edu. Please submit these by January 19th. We will also take cases and questions at the symposium.

Course Objectives

At the conclusion of this program, participants should be able to:

- Recall and discuss changes in local/regional cancer management;
- Distinguish single gene and panel testing, enumerate risk factors for germline mutations;
- Identify novel agents and enumerate the toxicities and appropriate management of patients treated with novel agents;
- List the potential benefits and risks associated with advanced breast imaging; and
- Discuss the status of immunotherapy in the treatment of breast cancer.

Accreditation Statement

Indiana University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement

Indiana University School of Medicine designates this live activity for a maximum of 5.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Faculty Disclosure Statement

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by Indiana University School of Medicine (IUSM) must demonstrate balance, independence, objectivity, and scientific rigor.

Continuing Pharmacy Education

This activity has been approved for 5.0 KNOWLEDGE BASED CE credit hours for pharmacists by Indiana University Health. No partial credit will be given. IU Health is accredited by the Accreditation Council for Pharmacy Education[®] (ACPE[®]) as a provider of continuing pharmacy education. UAN # 0855-9999-17-051-L01-P

Speaker and Program evaluations will be distributed to you through your e-mail address following the conference. Please look in your e-mail inbox for an invitation to complete the evaluation.

Participants must complete the Speaker and Program Evaluation in order to receive an ACPE[®] Statement of Credit. The evaluation must be completed within 14 days after the program date. ACPE[®] Statements of Credit may then be printed off of the National Association of Boards of Pharmacy[®] (NABP[®]) website, after the program has been processed by IU Health, ACPE[®] and NABP[®]. Please allow 4-6 weeks for processing.

Continuing Nursing Education

Indiana University Health is an approved provider of continuing nursing education by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91) (OH-412, 6/1/2019)

Nurses will be granted 5.25 contact hours for time in attendance and submission of an evaluation.

Location and Lodging Information

This symposium will be held at the Drury Plaza Hotel Indianapolis Carmel located at 9625 North Meridian Street, Indianapolis, Indiana.

A limited number of overnight rooms will be available for January 26, 2018 at a reduced rate of \$119 plus applicable taxes. Reservations can be made by reserving online at www.druryhotels.com then enter Group number **2290466**. Reservations may also be made by calling **800-325-0720** and refer to the Group number of **2290466**. Reservations must be received on or before **Monday, December 25, 2017**.

Fees

A fee of \$50 for healthcare providers and \$100 for non-exhibiting industry representatives has been set for this program. This fee includes a link to the online syllabus, continental breakfast, break refreshments, and lunch. Medical students, residents, and fellows in-training may attend free of charge; however, registration is required.

Practice groups who register four or more people at the same time for the conference can receive a 20% discount. Please call 317-274-0104 or email cme@iu.edu to do this.

All registration fees will be refunded if cancellation is made before January 19, 2018.

Lunch Discussion

NEW THIS YEAR — Optional lunch discussion groups specifically for nurses, NP/PAs, pharmacists, trainees. These discussions are not eligible for CME, pharmacy and nursing credit.

Space is limited to seven per discussion group. Please make your selection when you register. Any remaining available spaces will be released to physicians on site.

Genetics

Cindy Hunter, MS, CGC — IU genetics counselor

Discussion regarding the importance of educating patients on their genetic results PRIOR to ordering them and thereafter if any significant finding is revealed. Perhaps briefly reviewing the “most common” mutations being uncovered besides BRCA1/2.

Pain Management

Amy Johnson, DO — IU palliative care

Discuss importance of understanding the patient’s perspective regarding pain medications and rationale of why some may be resistant to pain medication, a means of “uncovering the difficult patient’s reasoning”.

Depression/Anxiety

Shelley Johns, PsyD — clinical psychology

Discuss helping the cancer patient/family cope with depression/anxiety surrounding a cancer diagnosis and/or end of life.

Oral Therapy Management Issues

Monica Macik, PharmD — Eskenazi oncology pharmacist

Discussion will include reimbursement, patient education, adherence, and prior authorization.

Clinical Trial Basics

Latrice Vaughn, RN — IU research nurse manager

Clinical nurses and navigators discuss basics of clinical trials.

Communicating Bad News

Erin Newton, MD — medical oncology and palliative care

Facilitator for Oncotalk leads discussion on best practices for communicating bad news to patients and families.
