review and INTERPRETATION of the **2017 ASCO Meeting**

Friday, July 21, 2017

HINE HALL AUDITORIUM 875 W. North Street, Indianapolis, IN 46202

COURSE DESCRIPTION

Designed for medical oncologists, surgeons, oncology nurses, and oncology pharmacists, this program will provide the participants with the latest information available as presented at the 2017 American Society of Clinical Oncology (ASCO) Meeting, a highly valued conference which focuses on the latest research findings in the treatment of cancer. Eleven of the IUSM's Oncology/Hematology faculty members will provide participants with their analysis of the more clinically applicable presentations at this year's ASCO meeting.
