AGILE IMPLEMENTATION
BOOTCAMP

This three-day intensive course will equip you with the tools and knowledge needed to localize evidence-based quality improvement solutions into your organization

▶ WHAT IS AGILE IMPLEMENTATION?

Agile Implementation (AI) is the modern-day formula for healthcare quality improvement. AI is a bridge between academia and care delivery that utilizes the best practices of innovation, implementation science, lean, and design thinking methodologies for patient-centered care.

The Indiana University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Indiana University School of Medicine designates this live activity for a maximum of 19.50 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity qualifies for 19.50 Category I CEU as outlined by the Indiana Behavioral Health and Human Services Licensing Board.
