### Program Overview

The Brown Center for Immunotherapy at Indiana University will host a CME virtual conference entitled Advances in Hematology and Oncology: Immunotherapy and Other Novel Approaches to Lymphoma. Antibodies, cell therapies and gene therapies have the potential to greatly improve the prognosis of patients with life-threatening illnesses. A challenge for interprofessional healthcare clinicians is keeping pace with the rapidly advancing technology and clinical applications. Patients also inquire about options based on reports in the press or on the internet. This CME course will increase participant's understanding of the biology, expected outcomes, and potential adverse events associated with novel therapies. The goal of this program is to improve the knowledge base and applicable strategies of the team regarding technologic advances, ongoing clinical trials, and FDA approved therapies. The anticipated outcome is empowerment of participants to provide counseling and appropriate referrals.

	<b>AGENDA</b>	
8:00 AM	Welcome	<b>Emily Hopewell</b>
8:10AM	Talk 1: Current Treatment of Lymphoma and Role of Immunotherapy	<b>Michael J. Robertson</b>
8:50AM	Talk 2: Harnessing innate immunity in cancer therapies	<b>Eric Vivier</b>
9:30AM	Talk 3: Checkpoint Blockade in Treatment of Lymphoma	<b>Catherine Diefenbach</b>
<b>10:10AM - 10:20AM</b>	<b>Break</b>	
10:20AM	Talk 4: Biology and Treatment of T cell Lymphomas	<b>Utpal Dave</b>
11:00AM	Talk 5: Chimeric Antigen Receptor T cell Therapy and Other Cell-based Therapies for Lymphoma	<b>John M. Timmerman</b>
11:40AM	Talk 6: Targeting malignant T cells with engineered T cells	<b>Huda Salman</b>
12:20 PM	<b>Concluding Remarks</b>	<b>Michael J. Robertson</b>

# CME Information

## Accreditation Statement

In support of improving patient care, Indiana University School of Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

### Nurses

Indiana University School of Medicine designates this activity for a maximum of 4.0 ANCC contact hours. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

### Pharmacists

Indiana University School of Medicine designates this activity for 4.0 ACPE contact hours. Pharmacists should only claim credit commensurate with the extent of their participation in the activity. Credit will be provided to NABP CPE Monitor within 60 days after the activity completion.

### Physicians

Indiana University School of Medicine designates this live activity for a maximum of 4.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity
