Handouts - Riley Children’s Health has gone green

In our continuing effort to be green, this symposium will not provide printed presentation handouts for attendees. Presentations will be posted online, a week prior to the conference and remain available online until June 30, 2017. The downloadable links for the presentations along with the passcode will be emailed prior to the conference to all who register. We also will have this information available along with Free WiFi.

FREE WiFi: Post Signed throughout the conference hall for passcode. Keeping with our Green efforts, please feel free to bring your water bottles or coffee mugs to the conference.

Emergency Phone

We ask that pagers and cellphones be turned off or placed on vibrate. In case of emergency, please see the registration desk at 317.833.3106 or 317.520.0800.

Community Resource Room

Primary care providers need a working understanding of community resources to provide medical homes for families. Built into the schedule are specific breakout times to visit our exhibits and the Community Room where personnel will be available to help increase understanding of the services their group can provide. Come learn more about your community, enjoy some refreshments, and share ideas.

We also welcome a variety of local and national pharmaceutical and device companies. We encourage you to stop by and get to know them.

**Accreditation Statement**

Indiana University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
