THE EVENT
IU Health/Indiana University Hospital, one of the leading home dialysis programs in the United States, invites you to participate in its 8th dialysis symposium and workshop. Come share experiences and learn from peers as well as established experts in growing, thriving, comprehensive home dialysis programs that optimize the benefits for patients, partners, physicians, the care team, and the facilities alike.

WHO SHOULD ATTEND
The focus of this program is on the physician and lead home training nurse from facilities that are seeking to start up a home program as well as those that have an active home program including both home hemodialysis and peritoneal dialysis and a strong commitment to significantly growing the size of that program. Due to the symposium’s focus on cross-functional collaboration, best value will be obtained if both the key physician and home training nurse for the program are in attendance.

VALUE TO ATTENDEES
Attendees will take away from the program increased knowledge and expertise in the areas described below, in addition to a deeper understanding of the best practices as well as pitfalls to avoid in order to take a home dialysis program to the next level of success. In addition, the symposium’s combination of didactic, small-scale workshop, and networking opportunities will allow attendees to get both practical information as well as peer contacts to help increase success in their own programs.

LEARNING OBJECTIVES
Upon completion of this program, participants should be able to:
- Recognize the evidence supporting the benefits of a home dialysis program on the mortality and morbidity of increased frequency dialysis therapy in the U.S.
- Identify the financial and programmatic needs of starting and maintaining a program.
- Increase recruitment, education, and retention of patients and staff.
- Discuss techniques for empowering the patient in decision making and how empowerment improves recruitment and retention.
- Identify the social impacts, benefits of peer mentoring and end of life peritoneal dialysis programs.
- Identify the benefits of a comprehensive home dialysis program and present how to integrate home dialysis and peritoneal dialysis programs.
- Develop an action plan for success.
**Symposium Schedule Day 2**

7:00 Registration

7:20 Access Issues in Home Dialysis  
Michael Kraus

7:40 Short and Nocturnal Prescriptions of Low Flow Dialysis  
Jose Morfin

8:00 Common Complications of Home Hemodialysis  
Michael Kraus

8:30 Education of CKD – Using All Modalities  
Dori Schatell

9:15 Finding Your Own Way Home – Care Partner Story  
Ted Altier, Corlyn Speake – Altier

9:45 Break

10:00-12:00 Breakout Session  
Session 1 Administration/Professionals/MD/  
Nursing/Social Work

1. Transitioning the Helicopter Patient  
Jose Morfin

2. Transitioning CKD to ESRD  
Lisa Koester

3. Transitioning PD/Failed Transplant  
Michael Kraus

4. Partner Less at Home  
Cathy Cox, Bill Davis

10:00-12:00 Breakout Sessions/w Lunch

12:00-2:30 Session 2 Nursing/Social work  
1. Preparing to Go Home – Setting Up the Home, Supplies, and Related Concerns  
Patricia Christ

2. Overcoming Needle Phobia  
Cathy Cox

3. Working, Volunteering, Staying Socially Engaged  
Dodie Stein

4. Psychosocial Impact on the Family  
Dodie Stein

12:00-2:30 Session 3 MD Discussion  
Michael Kraus, Jose Morfin, Raghu Motaganahalli

2. Which Prescription is Correct for a Home Hemodialysis patient?
3. Who is an Appropriate Home Hemodialysis Patient?
4. Preventing & Treating Vascular Access Problems in Hemodialysis
5. Can You Manage a Large Home Hemodialysis Program?

CONTINUING NURSING EDUCATION CREDIT

IU Health, Indianapolis (OH–412, 6/1/2019) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Participants will receive 16 contact hours for attendance for both days and submission of an evaluation.

CONTINUING MEDICAL EDUCATION CREDIT

Accreditation Statement

Indiana University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement

Indiana University School of Medicine designates this live activity for a maximum of 16.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity qualifies 16.75 Category I Continuing Education Units for Social Workers, Clinical Social Workers, Marriage and Family Therapists, Marriage and Family Therapy Associates, Mental Health Counselors, Mental Health Counselor Associates, Addiction Counselors, and Clinical Addiction Counselors as outlined by the Indiana Behavioral Health and Human Services Licensing Board.

Faculty Disclosure Statement

In accordance with the Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support, educational programs sponsored by Indiana University School of Medicine (IUSM) must demonstrate balance, independence, objectivity, and scientific rigor. All faculty, authors, editors, and planning committee members participating in an IUSM-sponsored activity are required to disclose any relevant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services that are discussed in an educational activity.
