

## Memory University 2021

Each Friday afternoon in June will present a unique program. 1:30 pm to 2:30 pm via Zoom  
Please register now @ <https://redcap.link/2021MemoryUniversity>

### Friday, June 4-- *Social Isolation and Loneliness in Older Adults*

**Dan Blazer, MD, PhD**, is the J. P. Gibbons Distinguished Professor Emeritus of Psychiatry at Duke University School of Medicine and a Professor of Psychiatry and Behavioral Sciences. He has chaired multiple National Academy of Sciences workforces and authored many publications and books. He has landmark studies in the field of late-life depression.

This activity has been approved for *AMA PRA Category 1 Credit(s)*™ by Indiana University School of Medicine.

### Friday, June 11 – *Communication Strategies*

alzheimer's  association®

Greater Indiana Chapter

**Hadya Sow** is the Alzheimer's Association Greater Indiana Chapter Senior Program Manager. The Alzheimer's Association provides care and support to those affected by Alzheimer's and all other dementia through free, high-quality education programs presented by Community Educators. In this session, the presenters will discuss how Alzheimer's and other dementia affect an individual's ability to communicate across different stages and provide tips to better communicate with people living with AD.

### Friday, June 18 – *Elder Care and Estate Planning (w/special guests)*

**Anita A. Harden, JD**, an Indianapolis native, received her law degree from the University of Houston, TX and was admitted to the Indiana Bar in 1995. Anita is the principal attorney at the Anita A. Harden Elder Care Law Office, where she serves as an advocate for senior citizens. Anita is the Past Chair of CICOA Aging & In-Home Solutions' Operating Board of Directors. She also serves on the IADRC's Community Advisory Board.

### Friday, June 25 – *Long-term Effects of COVID-19 on the Brain*

**Sophia Wang, MD** is an Assistant professor of Clinical Psychiatry and Outreach and Recruitment Core Leader of the Indiana Alzheimer's Disease Research Center at Indiana University School of Medicine. She completed her MD and her general psychiatry residency at the Mount Sinai School of Medicine in New York. She then pursued a VA Neurosciences Fellowship focusing on neurodegenerative disorders at the James J. Peters VAMC affiliated with the Mount Sinai School of Medicine, and a geriatric psychiatry clinical fellowship at the University of California San Francisco.

This activity has been approved for *AMA PRA Category 1 Credit(s)*™ by Indiana University School of Medicine.
