

2022 Pediatric Emergency Medicine Conference

Friday, Oct. 28, 2022, 8 am – 5 pm

Come update your skills in caring for ill and injured children. Our specialists in Pediatric Emergency Medicine at Riley Hospital for Children at IU Health are excited to share the latest updates and their best tips for caring for children in the Emergency department. This one-day conference will include hands-on simulation, workshops and lectures.

Location

Fairbanks Hall

Conference Center Floor 1 and
Simulation Center Floor 4
340 W. 10th St., Indianapolis, IN 46202

Target audience

Specialties – Physicians and advanced providers: Pediatric Emergency Medicine, Emergency Medicine, Urgent Care and Pediatric Critical Care Medicine

Simulation sessions

- The Critically Ill Infant (Session 1)
- The Critically Ill Infant (Session 2)

Lectures

- Below the Surface – Sentinel Signs of Abuse in Children
- Don't Be the One Who Missed the Diagnosis
- Recognition and Management of Pediatric Sepsis
- Pediatric Fever Updates
- Pediatric Articles that Should Change Your Practice
- Children with Medical Complexity in Your Community Emergency Department

Workshops

- Pediatric Visual Diagnosis
- Procedures Without Ketamine – What Is the Standard of Pediatric Pain Management?
- Quality Pediatric Emergency Care – Where to Begin?
- Pediatric Procedure Session – Practice!

Accreditation statement – In support of improving patient care, this activity has been planned and implemented by Indiana University School of Medicine and Indiana University Health. Indiana University School of Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE) and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians – Indiana University School of Medicine (IUSM) designates this live activity for a maximum of **7.25 AMA PRA Category 1.0 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

IUSM policy ensures that those who have influenced the content of a continuing education activity (e.g., planners, faculty, authors, reviewers and others) disclose all relevant financial relationships with commercial entities so that IUSM may identify and resolve any conflicts of interest prior to the activity. All educational programs sponsored by IUSM must demonstrate balance, independence, objectivity and scientific rigor.

There are no relevant financial relationships with a commercial interest for anyone who was in control of the content of this activity.

**Indiana University School of Medicine defines a commercial interest as any entity producing, marketing, re-selling or distributing healthcare goods or services consumed by, or used on, patients.*
