

# Neuroscience Physician Education Series

## Part 1: Primary Care Physicians

Sponsored by IU Health Foundation in collaboration with American Senior Communities and the Alzheimer's Association

**Saturday, Feb. 16, 11 AM - 3 PM**

**Goodman Hall, 1st floor**

**355 West 16th St., Indianapolis, IN** Free Parking Available

### GUEST SPEAKERS:

**Liana G. Apostolova, MD, MSc, FAAN** joined the IU School of Medicine as a The Barbara and Peer Baekgaard Professor in Alzheimer's Disease Research and Professor in Neurology, Radiology, Medical and Molecular Genetics at in June of 2015. Her research focuses on the early symptomatic and presymptomatic stages of Alzheimer's disease and on the development and validation of sensitive imaging and genetic biomarkers for Alzheimer's disease and other dementing disorders.

**Daniel R. Bateman, MD, Assistant Professor of Psychiatry**, works with persons with cognitive impairment, major neurocognitive disorders, older adults with mental illness and family caregivers. He helps patients and families navigate the complexities, treatment options, disease course and current medical understandings of neurocognitive disorders and mental illness. His research focuses on the treatment of neuropsychiatric symptoms (depression, anxiety, psychosis, irritability) associated with dementia and pre-dementia syndromes.

**Accreditation Statement:** In support of improving patient care, this activity has been planned and implemented by Indiana University School of Medicine, Alzheimer Association and American Senior Communities. Indiana University School of Medicine is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE) and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Indiana University School of Medicine designates this live activity for a maximum of 3.0 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

For questions please contact the IUSM CME office at 317-274-0104 or [cme@iu.edu](mailto:cme@iu.edu).
